

Write a c program to remove space from string
 ⇒ Flowchart

Algorithm

Step 1 : start

Step 2 : input string

Step 3 : len = strlen(string)

Step 4 : Repeat for (i=0; i<n; i++)

if (string[i] == ' ')

for (j=1 ; j<len ; j++)

string[j] = string[j+1]

len--

Step 5 : string after removing space

output str

Step 6 : stop.
